Mr. David C. Goodman,
136 East 42nd Street,
New York.

Dear Sir:

Thank you very much for your check for five dollars covering membership dues in this Society. I am enclosing herewith a receipted bill.

I am returning to you herewith your bill from the American Numismatic Association, which was sent to us in the same envelope as our bill. This was perhaps due to the similarity of names. We are however, in no way connected with the Association.

Very truly yours,

Secretary.
